1. Status

TEMPLATE — NOT AN OPERATIVE DOCUMENT. The letterhead becomes part of a document only after completion, review, and execution by an authorized person.

2. Permitted use

The template is for official Markiro correspondence and issued documents. Preserve the brand mark, typography, compact header, footer, margins, and heading styles.

3. Fields to complete

Before issue, complete the document name and number, date, addressee, body, authorized-person details, and other applicable particulars. Assign a unique number to an individual document; the common template revision does not replace it.

4. Document control

Template code: MKR-BRD-01. Revision: 2026.08.01. Effective date: 2026-08-15. The footer carries the page number and a Data Matrix linking to this template's public registry record. The Russian text is authoritative; English is informational.

5. Excluded elements

The template contains no prefilled counterparty details, signature, seal, approval statement, legal assessment, or verification status for a particular document. Those elements require a separate confirmed process.
